SAI#2024-476	Nevada Department of Agriculture- Dairy Program
Description:	<p>The Preparation and Response to HPAI in Dairy Cattle Program is designed to provide funding for states and territorial (Puerto Rico) partners participating in the Preparation and Response to the HPAI in Dairy Cattle Program. You may apply for either one or both funding sources. I. Funding for Sample Collection Funding for Samples is intended to cover: Administrative costs Any other supplies that may be needed FDA will supply: sample vials absorbent pads to mitigate leakage of samples pre-paid return shipping labels insulated Styrofoam coolers with shipping box ice pack for refrigeration of samples sealable plastic bags to hold sample vials information packet Once the samples are collected and shipped, states will submit a reimbursement report to AFDO to receive reimbursement for the costs to collect samples. FDA will reimburse states \$50.00 per sample. States may submit multiple reimbursement reports. All requests for participation in the sampling study will be fully funded. II. Funding for Equipment The HPAI in Dairy Cattle Program is designed to provide funding for equipment to assist state regulatory partners with their preparation and response to the HPAI in dairy cattle event. States may request funding for the purchase of personal protective or occupational safety equipment for regulatory and laboratory staff. Examples of covered regulatory and laboratory items include: disposable outer wear gloves respirators footwear disinfectant biosafety cabinets additional HPAI response needs identified by a program States may request up to \$20,000 for HPAI related PPE needs. Indirect costs are reimbursable. HPAI funding requests will be competitive and subject to review and approval prior to the award of funds.</p>
